

Convicted felon Thomas Retzlaff sent the following email to his daughter Brittany, who has a restraining order in place against Thomas. See the picture on his dresser? That's of Brittany. Why is this so important? Because convicted felon, alleged pedophile and rapist Thomas Retzlaff uploaded that exact same photo, along with other naked photos of Brittany, which he illegally obtained via a hidden video camera. And he took this specific photo of her standing in the doorway, (which she was aware of), at his apartment in San Antonio, TX. We've also included the IP header for the email, there's no denying who sent the email with the photo attached. And you see those comments by "Iron Felix" and "Johnny Swift" on the photo on Flickr? Those are both Thomas Retzlaff's aliases.

EXHIBIT #2 – Photo of Brittany that Thomas Retzlaff uploaded to Flickr.

The screenshot shows a Flickr photo page. At the top, the Flickr logo is on the left, and navigation links for 'Sign Up', 'Explore', 'Create', and 'Upload' are on the right. The main image is a photograph of a young woman with long brown hair, wearing a white lace-trimmed tank top, smiling and looking towards the camera. She is standing in front of a white door. Below the photo, there is a 'Back to photostream' link on the left and a small icon on the right. The user information section shows the name 'Iron Felix' with a profile picture, the title 'Brittany Cintron El Paso Texas Dirty Whore Cunt (5)', and statistics: 4,607 views, 5 faves, and 1 comment. It also indicates the photo was taken on May 10, 2013, and has a copyright notice. Below this, there are two comments. The first is from '808DAXINE, Emilio Maduras and 3 more people' who 'faved this'. The second is from 'Johnny Swift' 2 years ago, with the text 'Imma break her teeths out with my dick and rape that booty'. A 'Tags' section at the bottom right shows the tag 'Brittany Cintron'.
