10 vs.

11 THOMAS RETZLAFF,  
12 Defendant

Case No.: 1-14-CH-005460.

13 **DEFENDANT'S OBJECTION TO  
14 PLAINTIFF'S SUBPOENA ABUSES**

15 **OSC FILED: JANUARY 2, 2015**  
16 **HEARING DATE: FEBRUARY 2, 2015**

17 **DEPT. 19**

18 To The Honorable Judge of Said Court, PLAINTIFF, VIAVIEW, INC. AND THEIR ATTORNEY  
19 OF RECORD: JAY LEIDERMAN, 5740 RALSTON ST., STE. 300, VENTURA, CA 93003:

20 NOTICE IS HEREBY GIVEN that defendant, Thomas Retzlaff, wishes to notify the Court  
21 that opposing counsel and his client have been making public threats to issue subpoenas in this case  
22 for matters wholly unrelated to this now closed, an on-appeal-matter.

23 As this Court well knows by now, opposing counsel Jay Leiderman went on a wild and  
24 ridiculous fishing expedition for over four months, ex parte, prior to defendant ever being served in  
25 which Leiderman and his ridiculous revenge porn owning / blackmail artist client James McGibney  
26 served numerous subpoenas on all sorts of email providers and social media websites despite there  
27 being an anti-SLAPP motion pending. See attached letter from Twitter's General Counsel.

1 Specifically, plaintiff and its attorney have an anti-SLAPP motion pending in the federal court  
2 case involving the parties. There was an anti-SLAPP motion pending in the Texas case, too (before  
3 that case was ruled in defendant's favor), and there is an anti-SLAPP motion pending in this case,  
4 too, in case anyone forgot.

5 Plaintiff and his client have recently posted the following attached exhibit on plaintiff's  
6 website.

7 Thus any and all discovery attempts by this plaintiff and his Vicodin addict attorney are being  
8 done against the law and this Court needs to place them on notice that such conduct WILL NOT be  
9 tolerated.
